CamSHIELD User Handbook

Login Page

The image shows a mobile app login screen for 'CamSHIELD'. At the top is the logo, which consists of a blue 'S' inside a circle followed by the text 'CamSHIELD' in blue and green. Below the logo are three main components, each highlighted with a yellow border: an email input field with an envelope icon and the text 'Email Address', a password input field with a lock icon and the text 'Password' (also featuring a toggle icon for visibility), and a dark blue 'Sign In' button with white text.

The user opens the app and is first taken to the Login Page.

1

Enter preset campus email.

2

Enter preset password.

3

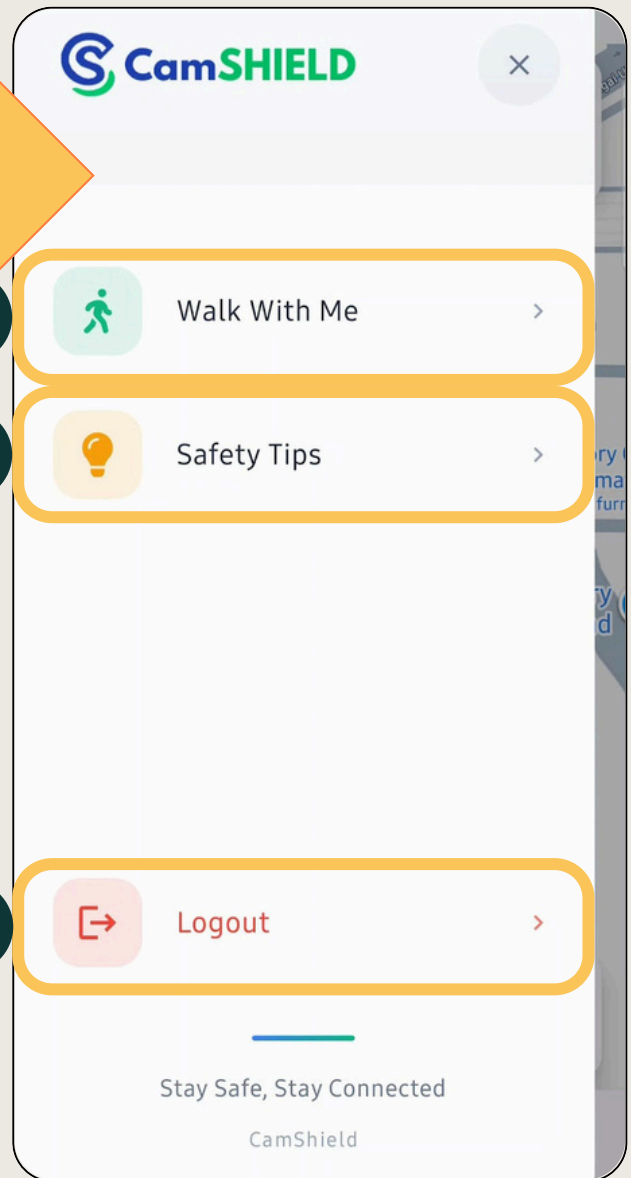

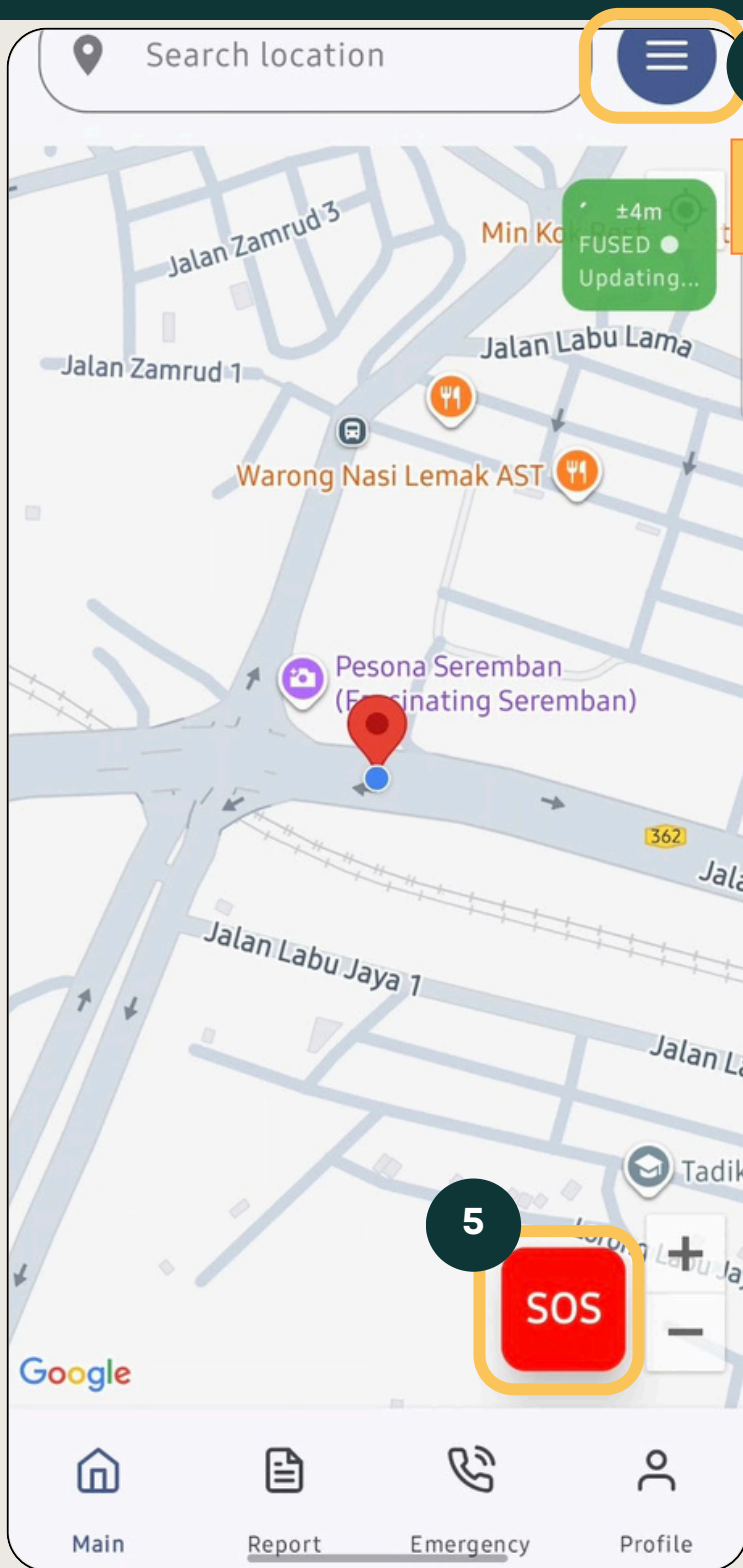

Click Sign In button

Walk with me - Request by own

Once the 'Walk With Me' button is clicked, a request will be sent to the self-emergency contacts.

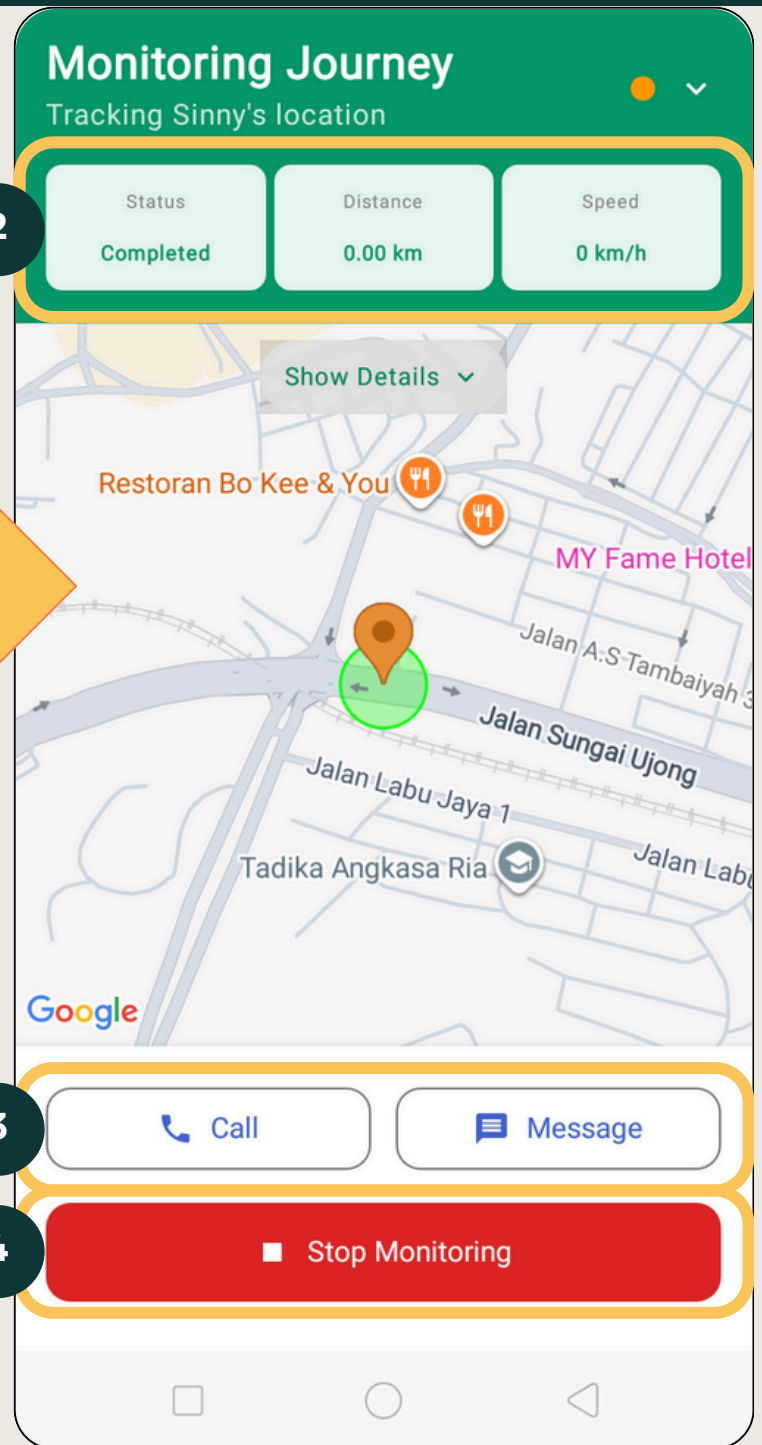

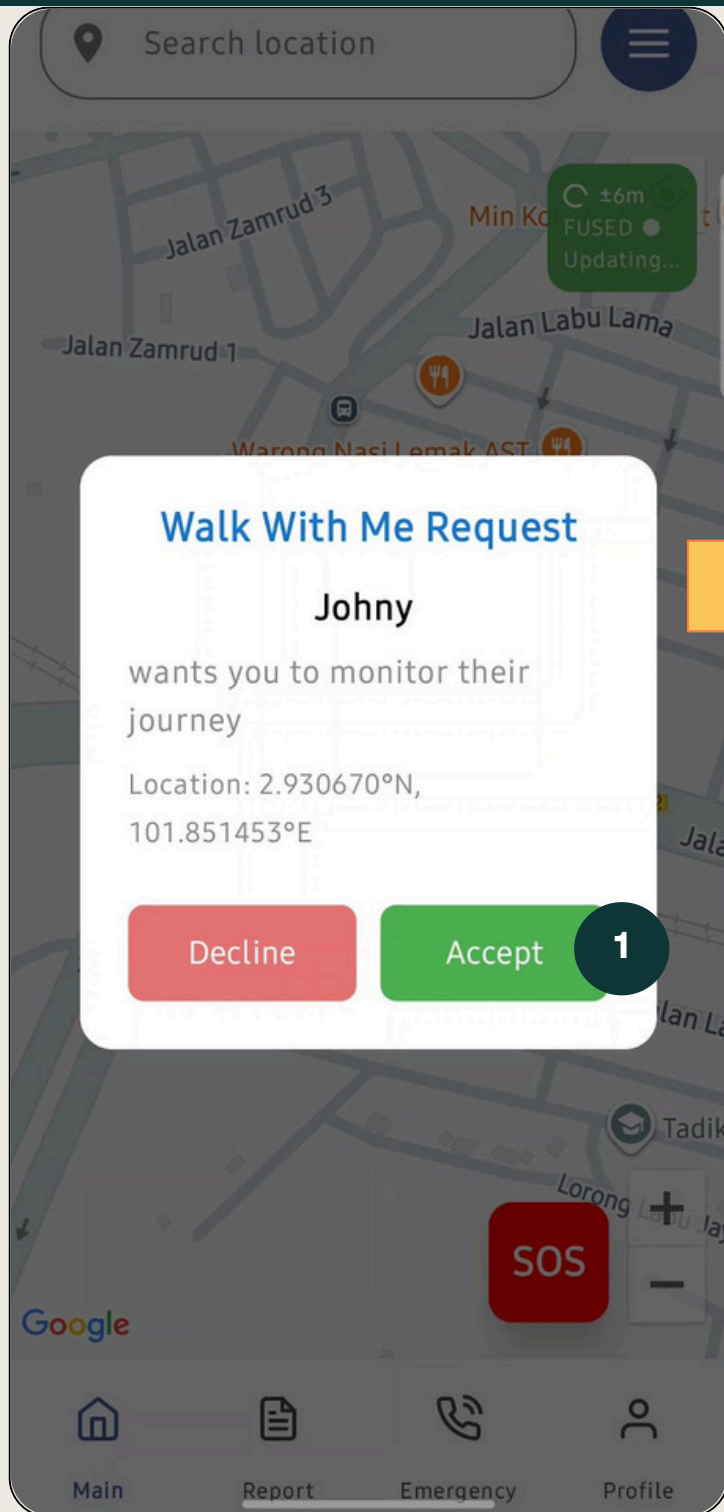

When a friend from your emergency contacts accepts, the sharing location page appears to show that your location is being monitored.
